VISUAL PLEASURE FOR GENERATIONS

PAINTING LOOSELY DVD

In his “**Painting Loosely**” DVD release, award winning artist, Eric Wiegardt, takes us into his world of painting loosely using a street scene as the focal point. Eric leads us through painting buildings and windows, figure shapes, shadows, skies and trees as part of the overall design. Also included is an interview with the artist and a photo gallery of many of his paintings that will undoubtedly serve as additional inspiration.
