Watercolor Plein Air Workshop

OAHU

January 20-28

Join Eric Wiegardt for another Tropical Adventure...this time to the island of Oahu.

This eight night Watercolor Plein Air Workshop will provide the expert instruction you have come to expect along with shared experiences with fellow watercolor artists.

Oahu, known as "The Gathering Place", is the third largest of the Hawaiian Islands. The state capital is Honolulu. This island has the exotic, natural beauty like all the Hawaiian Islands with the tropical, metropolitan experience of Honolulu.

There are so many things to do and see on this island whether learning about the Polynesian culture at the Polynesian Culture Center or visiting one of our nation's most honored memorials, Pearl Harbor Memorial. The windward side is known for some of the most beautiful beaches in the world, Lanikai Beach consistently being ranked among the best.

The hotel, right on Waikiki Beach, is near Diamond Head. Restaurants, shopping, golfing and parks are in walking distance. Whether you are painting with Eric or sight-seeing during your free time...this is a Workshop you will want to join.

If you wish to receive more information and/or add your name to the list for this workshop, contact us at watercolors@ericwiegardt.com and add **OAHU PLEIN AIR** in the subject line.

A OAHU, HAWAII Watercolor Plein Air Brochure will be available mid-May.
