VISUAL PLEASURE FOR GENERATIONS

SIGNATURE “MASTRO” FIVE BRUSH SET

Combining the best of what Eric has used throughout the years of watercolor painting...five brushes that will provide years of painting. They hold a tremendous amount of water and pigment, giving bold juicy washes for Eric's signature loose style. All five together offer the broadest range of techniques, from broad washes to fine detail. These brushes are also great for "tight" painters. Look no further!

Watercolor Flat Wash—for Watercolor & Gouache, size #24

- A mix of Kolinsky Red Sable, Russian Blue Squirrel, and Russian Black Sable, along with small amounts of synthetic hair.
- The benefits of the finest natural hairs for watercolor:
 - The pointing and edging of red sable.
 - The water-holding capacity and wash strokes of squirrel.
 - The stiffness and durability of black sable.

- Excellent opportunity for painters to buy large brushes at a great price.
- Seamless, nickel-plated brass ferrules are rust-resistant.

Russian Blue Squirrel Quill Mop—Russian Blue Squirrel hair, size #5 and #8, are of the highest quality and holds a large volume of water which makes it excellent for mop and wash techniques.

- Generously sized and hand shaped, its unique point allows for full strokes across the paper.
- Huge reservoir lays down large amounts of water ideal for wash and mop techniques.
- Great for initial detail construction.

Red Sable Round, X-Long Taper—Size #12

This unique taper is great for fast, loose watercolor painting and is a favorite among illustrators, cartoonists, and film animators. Great for drawing long, clean lines.

Sword Striper Brush—Length overall 10", hair length 2"

This pin-stripping brush enables Eric to paint extra long strokes. It features pure Kazan squirrel hair, the finest available for striping brushes. The brush will hold its shape for long, clean lines that are unprecedented.
