## PAINTING WITHOUT A NET

Eric's much anticipated new book "Painting Without a Net"

is beautifully illustrated with 60 full-page color paintings, complemented by an explanation of techniques and personal painting observations by this internationally recognized master of the medium. Not only does Eric share the journey of creating award-winning paintings, but

also insights into techniques that have garnered national recognition.

Easily understood by all levels of accomplishment, "Painting Without a Net" encompasses Eric's candid advice on how to start and finish a painting, what makes a powerful composition and why edge quality is so important. He delves into the mystery of color and the most important truth about it. He articulates the need for an Area of Dominance and how to construct it, and so much more.

Beautifully bound, this is a coffee table book of eye catching quality, easily understood yet with concise comments and breathtaking paintings. This book is a must for any art collector and watercolorist.
