# BELIZE WATERCOLOR PLEIN AIR WORKSHOP

Our next workshop abroad will take us to beautiful Caye Caulker, a small island just a mile off the Belize shore!

Together we will explore the white sand island and find the ideal spots to set up for plein air painting. The relaxed atmosphere of the island and the many small restaurants and shops in walking distance provide you with everything you need for a great trip.

The island is part of a small chain of islands forming the Belize Barrier Reef, the second largest barrier reef in the world!
