

WATERCOLOR PLEIN AIR WORKSHOP

The Long Beach Peninsula offers endless vistas for the artist. This workshop is designed to familiarize the student with the joy of painting outdoors. Keen observation combined with the student's personal interpretation for an expressive painting will be the mainstay of discussion. All levels of expertise and individual style will benefit from Eric's many years of experience.

Workshop Hours: 9-12 & 1-4 daily

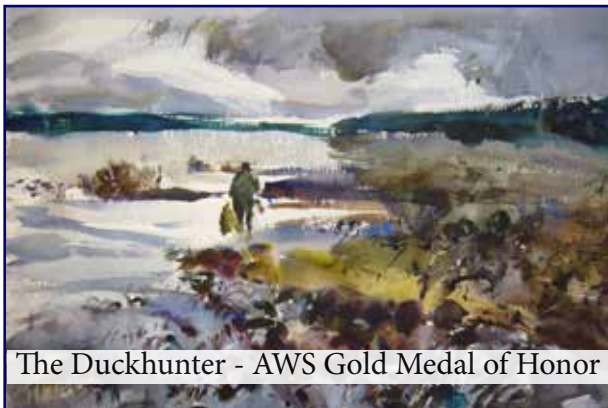

Workshop Location: The Breakers, Long Beach, WA

We will be visiting several locations so you will need transportation. Ride sharing is encouraged.

As preparation for the workshop, Eric recommends his video #4: *Landscape Theory*.

We have arranged a special discount for workshop participants at The Breakers. Be sure to let them know you are making a reservation for Eric Wiegardt's School of Painting Workshop and ask for workshop room rates. www.breakerslongbeach.com 360-642-4414
